## WORK EXPERIENCE

### Front-End Developer

[OptimumSoftware](#)

May 2020 - June 2021

Remote

- Revamped UI and app interface for a customer-facing ecommerce site with 150,000+ unique visitors per month.
- Developed more than 100+ reusable components used throughout the organization.
- Designed and implemented web applications along with 3rd-party software integrations as a web team liaison for all inter-departmental and customer-facing projects.

### Junior Front-End Developer

[ZYX Experiences, INC](#)

June 2019 - May 2020

Detroit, MI

- Built single page applications (SPA), responsive web design, UI using HTML5 grid layouts and CSS3 media queries
- Performing bug fixes and code reviews. Technical debt reduced by 32% within first month.
- Cut the company's site web loading time by 40% by optimizing the SPA bundle size, leading to better user experience.
- Learned to interact with clients, present designs and handle feedback on work

## CAREER OBJECTIVE

Front-End Developer with experience at Optimum Software and ZYX Experiences modernizing and streamlining web solutions for diverse industry organizations. Skilled in designing, developing and testing multiple web and mobile applications incorporating a range of languages. Eager to tackle more complex problems and continue to find ways to maximize user efficiency.
